About Me

Hi, my name is Dionisis and I'm student at Ionian Univeristy. I am intersting for operation business systems(ERP) and i am olso a deejay.I am 23 years old in the 5th university student year.I live in Corfu until i finish my studys and iam from Athens I am most skilled in: c,c++,java and sql I also use Music softwares for djs and producers(rekordbox,fl studio)

Projects

University

projects

*the
most
intrested
for me*

I build an
online
pharmacy
with 300
products
inside
from
zero.There
you can
make your
online
purchases
with many
payment
methods
all over
Greece
through a
wide
range of

products.It
is very
easy and
at the
same time

Experience

very
Not
detailed to
yet, I don't
in most jobs
they ask
about
previous
service where
you gain your
experience. I

Education

have no
experience
but have a
BSc Computer
science for
the first
work - 2012
exploring,
new projects.
I Academy have
learned a lot
founded in
in my
Corfu in
university
1824 and
and I have
still searched
a lot on my
own in
programming
modern
languages
times and
and
databases
academy of
the United
States of
the Ionian
Islands.
The
Department
of
Informatics
has been
operating

since the
academic
year
2004-05.
The subject
of the
Department
is both

A Little More About Me

theoretical
and applied
other hobbies:
Informatics.

At • Gaming
Ionian
• DJing
University we
have learned
many things,
but the ones
to which he
has given
more
attention are
the
teamwork
and working
to tight
deadlines. I
enjoy my
time on
university
and i learn a
lot about a
healthy work
life balance
in the future.
